Rev. Evangelos Pepps and the board of Share the Faith Ministries

Dear Fr. Evangelos,

Glory to Jesus Christ!

This letter serves to assure you and your board that Bishop Alexander, *Locum Tenens* of the Diocese of the Midwest, Orthodox Church in America, grants his blessings to Fr. Evangelos Pepps and the "Share the Faith Ministry". This includes his blessings on your efforts to raise funds for this ministry.

As mentioned in a previous email, the blessing requires that a full report, be made to him, or the next Bishop of the Midwest Diocese. The report should be the same as all board members receive annually and should include the names, amounts, etc. for all the recipients of your mission priest support ministry along with full financial records and board meeting minutes.

Wishing you success in your ministry,

In Christ,

Archpriest John Zdinak
Chancellor
