Dear Fr. Evangelos,

It pleases me that I can send my blessings to you and all your colleagues at the beginning of Share The Faith Ministries, a Non-Profit Pan Orthodox Fellowship whose Mission is to help the Church be what it is called to be: One, Holy, Catholic and Apostolic.

It is an important undertaking to assist the ordinary parish in America and I commend your Christ-centered goals, sound ideals and Orthodox compassion, especially, with your seeking to build an endowment for Orthodox missions to our N. American continent.

May God grant you great favor for the sake of the many souls who need the True Faith.

With God's blessings,

Bishop of New Gracanica and Midwestern America Diocese
